

GROUP 3

TRANSBOUNDARY ISSUES OF MSP

TRANSBOUNDARY CHALLENGES AND OPPORTUNITIES

- Challenges

- - Different institutional arrangements and legislation
- - Countries in different phases of MSP
- - Lack of capacity for MSP incl. transboundary MSP
- - Lack of transboundary framework
- - Territorial disputes

OPPORTUNITIES

- - Encouraging better institutional reforms / a framework will trigger institutional reforms and policy harmonization
- - Common area management
- - Manage migratory species and cables
- - Datasets and sharing data, compatible data
-
